Computer Room Decontamination & Super Cleaning

All FloorCare Specialists' employees are fully benefited, full-time employees. Why is that important? We believe in total accountability. We believe that your data center is the wrong place for temporary labor or sub-contracted employees. Our industry trained technicians average eight plus year's experience. We do not make mistakes.

Our experience allows us to offer a very broad range of data center services that should only be performed by experienced professionals.

Weather you need your HPL floors cleaned, a few replacement access floor panels or a complete annual super cleaning, we are your local one-stop service to do it all...Competently, on time and on budget!
