

a chair...a data center...an office or an entire building!

FloorCare Specialists, providing...A Better Service Solution.

FloorCare Specialists

A Better Service Solution.

We Specialize in Data Center Cleaning

Floor and Furniture Cleaning or Maintenance

We have our own fleet and in-house personnel

FloorCare Specialists has been providing state of the art specialty floor care and furniture cleaning for more than five years. Our owners have over 80 years combined experience in the floor care industry. We have worked very hard to become Atlanta's fastest growing floor care and furniture cleaning specialists.

We have the skills, the equipment, and most importantly, the trained and certified in-house personnel for any and all of your floor care needs. We do not sub-contract ANY of our projects.

Whether you need a telecom closet, furniture panels, a few offices or all of the floors in your building cleaned...*FloorCare Specialists can provide you A Better Service Solution!*
