

VCT, Resilient Tile & Sheet Vinyl floors

FloorCare Specialists, providing...A Better Service Solution.

FloorCare Specialists
A Better Service Solution.

Maintenance Programs

Striping & Refinishing

We have our own fleet and in-house personnel

FloorCare Specialists has sourced a line of VCT floor care products that is second to none. These advanced formulations insure fast drying, high gloss floors that perform long-term.

Our experienced, full-time technicians have the skills to refinish the most complex projects. We utilize floor care products that are Green Seal Certified. Our protocols are in compliance with the US Green Building Council's requirements for LEED EB certification.

Our growing list of customers include hospitals and nursing homes, public and private school systems, many "Fortune 500" corporations, national retailers and large entertainment complexes.
